

Stremler - Lagune Door Kit

The Stremler "Lagune" Interior Glass Furniture Door Kits

Now a simple and low priced way to buy frameless interior door furniture in a boxed set comprising of a lever lock or lever latch plus a pair of hinges and butts. All drilling and notching details are printed on the box for easy glass manufacture. Supplied in bright chrome, matt chrome, gold and white.

The products are designed for 8mm and 10mm glass doors in timber and aluminium frames, with a 15mm x 15mm stop beads and 35mm rebate. The hinges are designed to support a door weighing up to 40 kilos (maximum width 850mm).
