

Stainless Steel Handles

Prefit, back to back Handles are manufactured from 19mm diameter solid stainless steel. They are available in 5 standard lengths of 200mm, 300mm, 400mm, 600mm and 900mm, and in either satin stainless steel or polished stainless steel finish. They require a drilling in the glass of 14mm diameter so are suitable for 8mm, 10mm or 12mm glass.
