

Change it!

*Sooner or later, the time will come, when you need to take the less taken route, like **steelmax**-furnitur.*

*Make more out of your shelves and cabinets with **steelmax**-furniture. Steelmax offers a wide range of solutions in all living quarters. I.e. Living rooms hallways, kitchens baths, bed rooms and many more!*

The reason for this is the design, it's likable and it functions, and, vice versa. Furthermore, they are made of the uncompromising material, stainless steel. Use it with glass, epoxy board wood etc.

Vorto 7766VA-A

Moda 7749VA-H

Moda 7749VA-G

Measurements

Vorto

In form of a gigantic exclamation mark, without the dot, However, with strong character. Vorto isn't at the end of a sentence, but in rooms with pep.

7766VA-A with acrylic glass elements

Moda

You'll never see one of these on a Paris catwalk, even though it has earned the right. A filigree body with more presence, than a curved wonder.

7749VA-G with glass elements
7749VA-H with wooden elements

Ovals

Would have nothing against it, if one changes its name into Olala. Deep in its interior, it knows how clever it is.

7756VA-A with acrylic glass elements

State: January 2006 Technical subject to alterations
