

PREFIT

FITTINGS FOR GLASS

NEW 'GLASS WEDGE' DRY-GLAZE BALUSTRADE CLAMPING BOTTOM RAIL

Now available from Prefit is the Glass Wedge Dry-Glaze system. This new system cuts down traditional installation time by 50 per cent. Glass Wedge allows the glass to cantilever out of a base shoe and is simple to install only using a small number of fittings and is a totally dry-glazed system.

Available in various finishes for 12mm or 19mm thick glass.
A handrail is also available to add a finishing touch
or to comply with relevant building regulations.
